Mr. Dixon:

Thank you for speaking with me this afternoon. I am emailing to confirm EPA's consent to an extension for Rohm and Haas to respond to EPA's special notice letter dated December 31, 2013, which invites Rohm and Haas to enter into good faith negotiations to enter into an agreement with EPA to perform a Remedial Investigation/Feasibility Study at the Cedar Chemical Corporation Site.

After you speak with Mr. Benton, I would appreciate it if you could get back to me as soon as possible to confirm that Rohm and Haas's new date for responding to the letter is now **March 3, 2014**.

Thank you for your attention to this matter, and please feel free to contact me should you have any questions.

Regards,

Kate Campbell, Esq.
